ESPRESSO MILANO

ROCKET ESPRESSO

Rocket Espresso produces the finest espresso machines in the tradition of 'Fatto a Mano' translated to, 'made by hand'. Our small team of craftsmen produce both premium domestic and commercial espresso

machines, beautifully made with meticulous care and attention to detail.

More importantly, Rocket Espresso machines will deliver the finest espresso in the cup, time after time.

A partnership between New Zealander Andrew Meo and Italian Daniele Berenbruch who bring philosophies from opposing sides of the world into their Milan factory to make the best espresso machines they possibly can.
